

PROJECT NEWS FLASH FOR GS8000

Tiong Bahru Plaza Singapore

In Singapore, FUJITEC provided 4 units of the most sophisticated GS8000 series escalators. Tiong Bahru Plaza is a modern mixed commercial development comprising of a 20 storey office tower and a 6 storey shopping and entertainment centre with 2 basement carpark, located near the city central. Shoppers and tenants can have easy access to the building that is linked with the local train network serving the entire Island. The building is designed & engineered by RSP Architect and Takenaka Singapore. A good mixed of retail tenant includes supermarket, restaurant, fashion & jewellery boutiques, Cinemas Library and a Food Court.
