

PROJECT NEWS FLASH FOR GS8000

VILLAGE CABALLITO

Caballito, Buenos Aires, Argentina

Fujitec provided twelve units of the most sophisticated GS8000 series

Village Caballito is a nine screens Multiplex Cinema located in the geographic center of Buenos Aires build in six levels that includes also a fast food zone and a shopping zone. All the escalators and the elevators are remotely monitored from the Control Room. The escalators were provided with the Energy Saving System that drastically reduce the power consumption when the escalator is not utilized.

Owner: Galerías Pacífico S.A.

Architect: PfZ and BMA

Contractor Sudamericana
